Softonic reviewSquare Enix, well known for the popular role playing games brings the 2017 version of their Championship Manager series to your android device and manage your football team through the 16/17 season in the most diverse, feature filled management experience to date! Play free today!Feel like a real trainer Championship Manager 17 is a football club management simulation using up to date, real world, player and club information from the 2016 / 2017 season. This includes leagues like English Premier League, La Liga, Bundesliga and Serie A with over ten thousand players to try and draft, nurture and combine to make your absolute dream team. Build your roster, develop your players and lead your club to victory in the latest and greatest football management simulation. Included in this newest release is the ability to mimic the management styles of historic greats in the industry. Take the coaching and management practices of Pochettino or Mourinho, to name two, and use their proven methods to achieve victory! The game features new features for training and game day preparations. Teach your players new maneuvers and call all the shots when it comes to playing soccer. Then all you need to do is bask in the victory before preparing your team for their next competition.Great menus and interfaceThe main thing to look at in a Manager simulation is the menu and Championship Manager 17 has great menus. Manage your roster, facilitate trades and train your players all in an easy to use and understand interface. Delve deep to check stats and modify the team's tactics before entering into a match on game day. Issue your commands and watch on the game's new 2D interface your team play the match and rise to success! The 2D match watch is abbreviated, and does a nice job of showing you how the match went instead of just displaying the results. Music is typical for a sports game and will have you cheering along with the roar of the crowd as you watch your team score shoot the winning goal. Aesthetically this is a management simulation that looks and plays great making the process of managing your team as seamless as possible.Lead your team towards victory! Championship Manager 17 is a great edition to a long line of football club management simulation games, all on your mobile android device. Create endless combinations of players and clubs with over 450 clubs and tens of thousands of players. The depth of the options and the number of ways to manage your team will give you the management experience that you desire and deliver you a team from your dreams. Why wait?
